

WEST VIRGINIA HUMANITIES COUNCIL

FELLOWSHIP PROGRESS REPORT

Due September 1st

This report will be used by the Council to assess your project's activities to the present.

Provide a short narrative report, which includes the following:

1. Date of report submission
Grant number
Name
Project title
2. Describe the activities of your project for the period of this report. Discuss research/writing activities and summarize preliminary findings. Relate your work in this period to the specific goals outlined in your application. Include a description of any conferences or other events you attended during this period related to the project.
3. Describe any problems you may have encountered to this point or any unanticipated developments that may result in changes from the specific aims outlined in your application. Detail these changes, if possible.
4. If your project has been associated with a public event during this period (presentation, etc.), please describe. Include location, date, and audience numbers.
5. Please include any other comments/information related to the project.
